Parent/Carer Guidance

At Woodbridge High School teachers set "PPR tasks" instead of "Homework"

PPR stands for "Practice, Preparation and Retrieval". PPR tasks allow students to consolidate, practise and revise content and skills learnt in lessons.

All PPR tasks are set online by teachers using the online platform, Firefly.

Parents and carers can also have access to Firefly. You can support your child with their PPR by checking Firefly regularly and making sure that they are aware of what tasks have been set and when they are due. Firefly also displays messages from the school and details of your child's timetable and other useful information.
